The course is made-up of three ten-week blocks (Life CORE, Life CREDO and Life STORY), which in their own different ways look at ten 'aspects' of discipleship that emerge from the teaching and example of Jesus in Luke 9. You can register for all 30 weeks of the course or simply sign-up for the first 10-weeks and then decide at a later date whether you want to sign-up for another term. There is no charge to attend the course and it is open to all and is accessible to all (although those under 18 will need parental consent to attend and take part in Real LIFE).
